JJCPA Funding Application for Fiscal Year 2027 - 2028

This application has been developed for Community Based Organizations (CBO) or local agencies to apply for a one-time funding if available to provide services during July 1, 2027 through June 30, 2028. This funding is allocated by the Orange County Juvenile Justice Coordinating Council (OCJJCC) to support the reduction of crime and delinquency among juveniles up to age 25, who are at-promise youth which may have or had involvement in the juvenile justice system in accordance with WIC 749.22 and GC 30061. For further details, please refer to the *OCJJCC Juvenile Justice Crime Prevention Act (JJCPA) Funding Request Guidelines* and the *County of Orange Juvenile Justice Realignment Plan.*

PLEASE NOTE: *This funding opportunity is contingent upon the availability of unspent JJCPA funds. OCJJCC will determine the amount of funding, if any, available at its February 2027 meeting. Submission of an application does not guarantee that funding will be available or awarded to CBOs or local agencies.*

Please complete and submit your completed applications to budget&finance@ceo.oc.gov no later than **November 30, 2026**. Applications received after this deadline will not be considered.

For the following section, please limit each response to 350 words or less. Please note, failure to limit responses to this word count will result in a reduction of score.

1. Provide the program goal and description. Clearly state how the program would be supplemented or what additional services would be added with this funding opportunity. Would the supplemental or additional services be able to be provided right away or would the CBO or local agency need time to establish the services, hire new staff or develop new relationships.

2. Provide details for the evidence that the proposed supplement to the program or additional services are based on evidence-based or promising practices that have demonstrated effectiveness in curbing juvenile delinquency. How will the CBO or local agency ensure fidelity of implementation?

3. Describe the target population. What is the CBO's or local agency's qualifications and experience for servicing this population and how will the program be ensuring the target population is recruited (if relevant), and served specifically to their needs? In addition, please address what the program will do to ensure retention of participants.

4. Please list up to three Specific, Measurable, Achievable, Realistic and Timebound (SMART) objectives related to the additional funds.

5. How will the CBO or local agency ensure the tracking of program outputs for the proposed funds, including demographics and program participation numbers. In addition, what are the proposed outcomes for the supplemental aspects of the program or additional services? Please include the rationale of the evidence-based or promising practice for the proposed outcomes.

Fill in the table below with the proposed budget. Please ensure that the amount requested for each program addition and/or service identified is inclusive of any and all associated salaries and benefits, services and supplies, and any other associated expenses. In addition, the budget should reflect allowable expenses of the JJCPA and County of Orange.
